## Golf Carts on Township Streets

In May of 2021, the Board of Trustees passed a resolution allowing the use of under-speed, utility vehicles or mini-trucks on Township streets. The intent of this resolution, clarified through Resolution 2022-07, was to allow golf carts to drive on Miami Township streets with a speed limit of 25 MPH or less.

We are aware of many of these types of vehicles in neighborhoods throughout the Township and want to make sure we reiterate that safety is a top priority. In order to be legally driving a golf cart on Township roads, the following actions **MUST** occur and be observed:

- Must be licensed and operated by a licensed driver who is at least 16 years old with insurance.
- Must pass the street legal inspection performed by a Miami Township Police Officer. Appointments can be made by calling (513) 248-3721.
- After successful inspection, apply for a license plate.
- Cannot be driven on roads greater than 25 MPH.
- Obey all traffic laws.

Equipment needed to be street legal and pass inspection via Ohio BMV form 1373:

- Brakes
- 2 brake lights
- 2 headlights
- 2 tail lights
- Tires in safe operating condition
- Proper steering mechanism
- Windshield
- Rearview Mirror
- Directional turn signals

Here are answers to some of the more frequently asked questions we receive:

**(Q)** Who can have their vehicle/golf carts inspected?

**(A)** Any Miami Township resident who has a vehicle that qualifies.

**(Q)** What do I need to do to get my vehicle/golf cart inspected?

**(A)** Call the Miami Township Police Department at (513) 248-2731 and ask to speak to an officer about scheduling an inspection appointment.

**(Q)** Where can I get my vehicle/golf cart inspected?

**(A)** The appointment can be made to bring the vehicle/golf cart to the police department, or we can make the appointment to come to your house.

**(Q)** How much does the inspection cost?

**(A)** We do not charge a fee to inspect your vehicle/golf cart.

**(Q)** What do I do once the vehicle/golf cart is inspected?

**(A)** You will take the inspection form to the title office to get a title for the vehicle, and then to the BMV for license plates.

**(Q)** Can my 14-year-old drive my golf cart?

**(A)** No, only licensed drivers can operate the golf cart on the roadway.

**(Q)** Do I need insurance?

**(A)** Once licensed, you must have insurance. Most companies will add it to your vehicle or homeowner's policy.

A golf cart that is not legal cannot be operated on Miami Township streets. Unlicensed drivers **ARE NOT ALLOWED** to operate these vehicles. This is true of the operation of other vehicles, too such as unlicensed motorcycles, minibikes, etc. The issue is about safety and having mechanisms in place to make sure everyone can have a good time while following the rules. Please follow the law and please be safe!

## Experience Law Enforcement, Attend the Citizens Police Academy

Sergeant Bullock

The Miami Township Police Department invites you to experience law enforcement and police officer training by attending our ten-week citizens police academy. Our department is gearing up for our 27th citizen police academy and is slated to start in September 2022.

The Miami Township Citizen Police Academy is a hands on experience that touches on nearly all aspects of the daily responsibilities of Miami Township Police Officers. Our citizen police academy is conducted in cooperation with the Loveland and Milford Police Departments. The ten-week academy is held on Wednesday nights from 6:30 to 9:30 PM at various locations throughout the county. Each department will have a maximum of ten residents attending the program. Our police department invites you to challenge yourself to take this opportunity to experience law enforcement from the officers in your community.

The Miami Township Citizen Police Academy covers different topics each week and these training sessions will be held in various locations. Academy participants will start with an orientation, tour of the Miami Township Police Department and the Clermont County Jail. The sessions that follow

will cover the judicial system, investigations, mock crime scene, narcotics, and police canines. There will be sessions where residents tour AirCare, experience a mock crash, learn about crisis intervention teams and media related issues. Participants will be instructed about use of force, less-lethal weapons, Taser, and handcuffing. The training ramps up with active shooter training, firearm safety, and a live-fire range opportunity. Finally, participants are permitted to ride along

with a patrol officer to observe law enforcement in action. The ten-week academy wraps up with a graduation ceremony and dinner to celebrate your willingness to engage with the law enforcement officers in your community. All graduates are invited to join our Citizen Police Academy Alumni Association.

The Miami Township Police Department is extending an invitation to Miami Township residents to join our 27th citizen police academy.

Residents interested should visit our township website at [MiamiTwpOH.gov](http://MiamiTwpOH.gov) or email the police department for an application. Once the application is received, a review process is conducted and those residents who are selected to attend the academy will be notified. Get involved in your community, come join us in September and challenge yourself to gain a better understanding about law enforcement in Miami Township.

## CPA Alumni Association's Golf Outing

Corporal Foster

The Miami Township Citizens Police Academy Alumni Association, or CPAAA, is a 501(C)(3) organization that serves an integral role in community safety by supporting emergency services in a wide range of activities. They include activities that are security orientated, including staffing roadblocks during parades, helping with security at park events and security patrols. They help with community relations events such as Super Senior

Saturday, Kids N' Cops and Safety Fair. They perform functions for the police department such as clerical duties, inventories and statistical gathering functions. CPAAA members help in our schools during DARE graduations, lock down drills and driver safety programs such as mock crashes.

The purpose of the CPAAA Golf Outing is to raise money to fund the numerous functions in which they perform. Because the CPAAA is an all-volunteer force that is self-funded, this fundraiser is essential to their survival. The CPAAA Golf Outing is a combined effort between the Miami Township, Loveland, and Goshen Township Police Department's CPAAA Organizations and is the sole source of income for these organizations. In addition to the work that the CPAAA does for the community, they also make an annual \$1,000 donation to the UC Clermont Law Enforcement College.

The 2022 CPAAA Golf Outing will occur on Monday, August 22 at the O'Bannon Creek Golf Club, 6842 St. Rt. 48 Loveland, Oh 45140. The Shotgun Start will begin at 9:00am and the format will be a four-person scramble. The cost of the event is \$100 per player, with a lunch included, and is open for anyone to join. For an individual or business that would like to sponsor this event, they can either purchase a "Champion" or "Partner" sponsorship for \$1,000 and \$500, respectively. Players are eligible to receive door and raffle prizes that have been generously donated by local businesses.

To register, donate, or sponsor the event, visit [MiamiTwpOH.gov](http://MiamiTwpOH.gov), download the flyer, and submit it to CPAAA President, Gene Bishop, no later than August 10, 2022. If you have any questions related to this event, you can contact Gene Bishop at [Gene.Bishop@MiamiTwpOH.gov](mailto:Gene.Bishop@MiamiTwpOH.gov). The event is limited to twenty-five teams, so do not delay! We appreciate the support and hope to see you on the course!

## Lock It or Lose It

Officer Miller

For most of us, the warmer weather is a natural mood enhancer. Family picnics, vacations and outdoor events are just around the corner!

Unfortunately, this is also a time when certain criminal activity has been known to pick up. Open garage doors and unlocked vehicles tend to claim unnecessary victims as criminals prey on an easy target.

Many of you have heard of the nationwide Lock It or Lose It campaign; you may have even seen the signs posted at the entrance to your neighborhood by Miami Township Police. The campaign is designed as a reminder to stay smart and safe. All of us understand that life can get in the way. You come home from a busy day and have responsibilities in your home that may distract your focus. Often this is when we forget to lock our vehicle doors, or maybe we even think we did, but we are not sure. It does not hurt to double check. Criminals are opportunists looking for anything and everything of value! Making sure that your vehicle is locked is a smart preventative measure; however, leaving a pricey laptop in plain view on your passenger seat is giving the criminal the incentive to get inside your car and take it.

We ask that Miami Township residents be mindful and vigilant when it comes to locking up their homes, to include garage doors, and vehicles. It is also pertinent to ensure that valuables are not left in plain sight. No one knows the normal day-to-day activities in your neighborhood better than you and your neighbors. If you see suspicious activity, we encourage you to reach out and contact dispatch (513-732-2231) to have an officer come out and check. The saying, "it is better to be safe than sorry," may be cliché, but it is still applicable. Together we can continue to make Miami Township one of the safest communities to live in Ohio!

# MIAMI TOWNSHIP RECREATION

To register for an activity, go online to [Register.MiamiTwpOH.gov](http://Register.MiamiTwpOH.gov) or fill out a registration form and mail or drop off your form, with your check, to: Miami Township Recreation, 6101 Meijer Drive, Milford, OH 45150-2189. Pre-registration and prepayment is required for all camps & activities. Receipts will be sent to you (see receipt for refund policy). The Recreation Department is in full "Operation Summer Camp" mode. Many of our most popular

camps are full, but there are still camps in all age groups with openings. Check our website as occasionally parents have to cancel, and an open spot will appear in a full camp.

Mark your calendars for our "Summer Concert Series" running through Sunday August 14<sup>th</sup>. All concerts will have a food truck, Kona Ice and adult beverages sold by one of our two local Chambers. The final date - Sunday Aug. 14<sup>th</sup>, is a performance of "Twelfth Night" by the Cincinnati Shakespeare Company that is part of their outreach program. Check inside this newsletter for a full description of each band, date, time and location of the park.

I'm excited to announce we applied for, and were awarded, a grant through the Clermont County Park District for funds to help build additional pickleball courts. We will be putting in six new courts at Miami Meadows Park hopefully in late summer or early fall. Every instructional class we have offered in the last year has been full, so we are excited to be able to offer more opportunities to participate in the fastest growing sport in the United States!

This edition of our newsletter is filled with all the upcoming programs and events that we will be offering this fall. If you are interested in a program don't delay in registering as we found this spring many filled up quickly. Enjoy this beautiful time of the year!!!

**BETTER BABYSITTERS \*\*\***

Would your son or daughter know what to do if the child they were babysitting started to choke on something? Would they know what to do if they were taking care of several children and someone came to the door? Does your child baby sit younger siblings? Why not enroll your child in a Better Babysitters course? Your child will learn the responsibilities of having a job, the Rights of a Babysitter, CPR for a Child and Infant, Basic First Aid, Growth and Development and appropriate toys and activities for kids. They also learn diaper changing, infant care and how to feed a toddler. This class is being offered in partnership with Enriching Kidz.

### TRUE CRIME IN CLERMONT COUNTY

This class, based upon attorney and historian Gary Knepp's book- "A Legal History of Clermont County, Ohio" will delve into the sordid aspect of our county's history. We will explore the lynching of a budding serial killer, the county's Liquor Courts, illegal gambling, and the story of a Clermont County resident's appearance on the FBI's most wanted list. Special attention will be given to Clermont's most sensational trial of Dovie Dean- "The Woman Who Couldn't Cry"- and why what happened then couldn't happen today.

Wednesday, SEPT 7; 6-7:30 pm; **MTCC**  
\$10 (Person) **No Drop-Ins Allowed**

### VIETNAM WAR STORIES FROM CLERMONT COUNTY

This year marks the 50th anniversary of the end of America's participation in the Vietnam War. The war has lost none of its controversy. Because of the continuing debate, the lives of the more than 58,000 American men and women killed during the war have often been overlooked. Historian Gary Knepp will honor the lives, deaths, and legacies of the thirty-nine Clermonters who were killed during the war. In 2019, Knepp's book- "Beyond the Names"- received the Achievement Award from the National Vietnam Veterans of America as well as the Distinguished Service Award from the Ohio Chapter.

### MUSINGS ON CLERMONT COUNTY HISTORY

For the past thirty years Gary Knepp has been traveling the byways of Clermont County uncovering our fascinating history. He will share with you some of what he has learned. Along the way, he'll answer these questions. What dinosaurs roamed the county? (trick question) What was the Clermont Phalanx? Was Ulysses S. Grant truly a failed president? Come Discover Clermont County. You'll be impressed by what this county has contributed to our nation.

Wednesday, OCT 5; 6-7:30 pm; **MTCC**  
\$10 (Person) **No Drop-Ins Allowed**

### OHIO'S PRESIDENTS

Ohio has been called "The Mother of Presidents" because there were seven presidents born here- more than any other state. An eighth name could be added to the list since he is buried here. History hasn't been kind to Ohio's presidents. Two didn't live long enough to compile a record. One was called "Your Fraudulency". One has been called a "failed president". Another could be defined by cards, corruption, and carousing. And yet another is a favorite of presidential trivia: Who was the heaviest president? What's the true story?

\$10 (Person) **No Drop-Ins Allowed**

### WORLD WAR I & THE ORIGINS OF VETERAN'S DAY

World War One, also known as The Great War, has been one of history's most consequential events. Four empires were toppled, two were seriously damaged and a new one, The Soviet Union, rose from the ashes. Lethal new technologies were introduced causing the deaths of 17 million people. American war chieftains of the future- George Marshall, Douglas MacArthur and George Patton, learned their craft in the trenches of Europe. Hundreds of Clermonters went to Europe "To Make The World Safe for Democracy". Their stories and those of their supporters from home will be told.

Wednesday, NOV 2; 6-7:30 pm; **MTCC**

## Volunteer Program

Lieutenant Johnson

Interested in working in the exciting field of fire and emergency medical services? Try volunteering for Miami Township Fire & EMS!

The fire service has a rich tradition of engaging residents to serve their community through volunteering. Over the years, time has become more limited but many people still want to find a way to serve or give back to the area where they live. This tradition is alive and well today in Miami Township! Did you know that Miami Township Fire & EMS has a volunteer program? This program is in place to assist those who have a desire to serve their community, or who might be trying to figure out if they are interested in a career in the fire and emergency medical services industry. Miami Township Fire & EMS currently has nine (9) volunteer employees. Our volunteers choose the days they are available to work along with the on-shift crews. Four of our current volunteers are in the process of becoming part-time employees and many of our current career members have come from the volunteer ranks over the years. Volunteers respond with the duty crew to over 6,000 emergency details that Miami Township Fire & EMS is dispatched to annually. They also participate in all daily trainings and activities that occur during the shift.

How do you become a volunteer with Miami Township? The first step to see if you might be interested is to simply come ride along with our on-duty crews. You can choose any time between 8:00 am and 10:00 pm to see what our services have to offer. Rising through the ranks from volunteer to part-time, and even becoming full-time eventually is an extremely rewarding process. Feel free to call (513) 248-3700 to schedule your first ride along, or to ask any questions that you might have. We are here 24/7 and look forward to seeing you soon!

## High School Internships

Lieutenant Foppe

Year after year during interviews for firefighter/paramedic positions we would hear "I wish I would have known about this career earlier". While there are paths for high school students to attend trade school for firefighter/emergency medical technician, there was

little exposure outside of career days for traditional high school students to experience the fire service. Realizing the increasing need to replace retiring firefighter/paramedics we teamed with Milford High School and their staff to create an internship program where students are bussed to the fire station. At the fire station students are expected to participate in all non-hazardous activities that firefighters do throughout their normal day. While at the fire station if there is an emergency the student rides along with the crews and can observe from a safe position.

The program began in 2019 and with a successful year, four students from Milford completed the experience. The teachers would relay the excitement reported back after each visit and the excitement for the program expanded. Loveland Schools contacted the department wishing a similar experience for their students and just as that opportunity was realized COVID happened and with all the shutdowns and restrictions both programs were suspended. We are back! If you know of students that have shown interest in fire and EMS, please contact us and we will assist you and your student in getting exposure into public service to see if that is a career path you are interested in pursuing. Lastly, we have committed to a relationship with Scarlet Oaks Fire & EMS program for an internship opportunity for their summer between Junior and Senior years. This program allows the high school student to graduate with their diploma as well as State of Ohio certifications as firefighter and Emergency Medical Technician. If you have a high schooler that would like more information, please contact Lieutenant Bob Foppe by email at [Bob.Foppe@MiamiTwpOH.gov](mailto:Bob.Foppe@MiamiTwpOH.gov).

# COMMUNITY DEVELOPMENT

Brian Elliff, Planning &amp; Zoning Administrator

Brian.Elliff@MiamiTwpOH.gov

Community Development Office: (513) 248-3731

## Meet the New Community Development Staff

**Brian Elliff**  
Planning & Zoning Administrator

The Miami Township Community Development Department is pleased to welcome two new staff members to the team.

John Langenheim recently came onboard as the new Zoning and Property Maintenance Inspector. Look for John out in the community checking on permits, inspecting properties and reviewing residential and commercial site plans. John was born in Miami Township (Clermont County) and graduated from Oak Hills High School. He joined the Army Infantry in 2008 and deployed in 2008 to Iraq and 2011 to Afghanistan (where John was awarded the Purple Heart). After being honorably discharged in 2014 he attended and graduated from the University of Cincinnati with an Associates in Criminal Justice Law Enforcement and then attended the Police Academy at the University of Cincinnati, Clermont College. After completing his Associates John worked as a Deputy Sheriff Corrections Officer for both Hamilton and Butler County Sheriff's Office for a total of almost 6 years. John said that he is excited to be a part of the Miami Township Team and looks forward to having a part in this wonderful area!

Jamie Kreindler is Miami Township's new Township Planner. In this role, Jamie reviews applications for zoning certificates, completes complex site plan reviews, undertakes land use and corridor planning, and manages the Township's Board of Zoning Appeals. Jamie, originally from southeast Michigan, moved to the Cincinnati area after a three-year service with the Peace Corps in Morocco. From 2018 to 2020, she pursued her Masters of Community Planning (MCP) degree at the University of Cincinnati. Prior to coming onboard with Miami Township in December 2021, Jamie worked as the Planner for the City of Sharonville. Jamie shared that she is excited to join Miami Township's Community Development team, especially with many new, quality residential developments happening across the Township!

## Restaurant Post-COVID Reset

Two restaurant projects that were delayed during covid have recently come back to life. Chipotle, located on Romar Drive, contacted the Township to restart their remodeling project. They will be adding a pickup window to their building. We also now have heard from Jimmy Johns about their new restaurant in the Meijer outlot next to Waffle House. They are now proposing a two-tenant structure, where previously it was to be just the single tenant sub shop restaurant. Site plan review is complete, and we have notified the project architect that we are ready to issue a zoning certificate.

# MIAMI TOWNSHIP SERVICE

**John Musselman, Director**  
John.Musselman@MiamiTwpOH.gov

Service Department: (513) 248-3728  
@MiamiTwpSERVICE MiamiTwpOH

## Vactor Truck Improves Efficiency

**John Musselman**  
Service Director

The Miami Township Service Department recently purchased a vactor truck (vac truck) after several years of study and budgeting. The Township currently has 162 lane miles of road with ditch drains and driveway pipes and it is the Service Department's responsibility to maintain the flow of water in and through those ditches and pipes.

Located within the lane miles are roughly 7000 driveway pipes that need, or will need, flushing or jetting at some point in time. The vac truck allows personnel to clean and clear these more quickly than with previous equipment. The generated pressure reliably and efficiently opens clogged pipes. The Township also has approximately 150 lane miles of roadway with curb and gutter and catch basins that are scheduled to be routinely cleaned. The previous way of clearing these areas was with a pair of specialized shovels and good old fashioned elbow grease. The vac truck now allows personnel to perform this task in minimal time utilizing the trucks equipment and technology.

Having the vac truck saves time, and time is money when doing road repairs and drainage work. In many cases, a vac truck can do more surgical excavation than a backhoe or mini-excavator. This is because with the mechanical method you are bound by the size of the bucket and its ability to be manipulated by the operator. In many cases the Service Department was using a ditching bucket and had to position the machine 90 degrees to the flow of the ditch. This can lead to over-excavating which often requires more material and hand work to restore and regrade.

Certain ditching can be also performed using the vac truck. In some Township neighborhoods they have roof drain collector lines. When these lines become clogged they need to be excavated to find the source. With a vac truck, we excavate a much smaller area with more precision and less over-excavation, and use less material and labor to restore the area.

Our newer subdivisions also have underground utilities which adds to the complications of excavation work. The prevalence of fiber optic cable is a major factor as repairing such lines that may be hit accidentally is very expensive and leads to disruption of services for the end user. The vac truck dramatically reduces the risk of these accidents.

## 2022 Street Resurfacing

This year Miami Township will be contracting with Barrett Paving for our 2022 Street Resurfacing program. Work will be done on just over 11 miles of Township roads. In order to decide which streets will be resurfaced, the Township uses the services of Stantec Engineering. Stantec's high tech equipment scans and records the asphalt, curbs, and gutters on every street in the Township. The results are placed in a database using several categories to compare conditions. This data is then used to prioritize streets for the repaving program. Here are the streets for 2022:

Mt. Zion	Carole
Dry Run	Eunita
Peach Orchard	Millstone
Orchard Valley	Mill Row
Sugar Ramp	Grist Mill
Techne Center	Ring
Edison	Cedar
Salk	Retswood
Ford Circle	Lela
Dupont Circle	Deerhaven
Brooklyn	Tri-Ridge
Queenie	Hollow
Jerry Lee	Palmer Place
Catherine	

All work is to be complete by August 16<sup>th</sup>. You can find the complete 2022 Street Resurfacing street list at ***MiamiTwpOH.gov*** - and click on the **Service** tab. For additional questions or information, call (513) 248-3728.
